All Things Bright and Beautiful

Cecil Frances Alexander, 1848 – 3/8in Dreaming Outloud

All things bright and

beautiful,

All creatures great and small,

All things wise and wonderful,

The Lord God made them all.

Each little flower that opens,

Each little bird that sings,

He made their glowing colours,

He made their tiny wings.

The rich man in his castle,

The poor man at his gate,

God made them, high or

lowly,

And order'd their estate.

The purple-headed mountain,

The river running by,

The sunset, and the morning,

That brightens up the sky;

The cold wind in the winter,

The pleasant summer sun,

The ripe fruits in the garden,

He made them every one;

The tall trees in the

greenwood,

The meadows where we play,

The rushes by the water,

We gather every day;—

He gave us eyes to see them,

And lips that we might tell,

How great is God Almighty,

Who has made all things well.
